TRANSACTIONS

OF THE

GEOLOGICAL SOCIETY OF GLASGOW.
PREFACE TO VOLUME XXI, PART I.

The present Part begins the Twenty-first Volume of the Transactions of the Geological Society of Glasgow. It includes a number of Papers contributed to the Society between 1943 and 1946, most of them in the latter year. The Council wishes to take this opportunity of thanking those who so kindly consented to act as referees for the different Papers now published.
